

LAKE COUNTY DEPARTMENT OF UTILITIES

Solid Waste Division

Landfill Disposal Update:

The Lake County Solid Waste Facility (Landfill) is still open and operational. However, due to the COVID-19 pandemic, the following guidelines apply and are effective immediately:

- Commercial Customers/Haulers: Only commercial customers/haulers that already have an existing account with the Lake County Department of Utilities will be permitted to deliver refuse for disposal.
- Residential Customers: Residential customers in need of essential disposal will be permitted to deliver refuse. *At the present time, credit card payments will not be accepted; only cash and checks (payable to "LCDU") will be permitted.*

If you have any questions or require additional information, please contact (440) 350-2644.

Thank you for your cooperation during this time.
